

Get ready to continue exploring space with the exciting new game “10000x Rush” from Platipus, offering even more chances to win than ever before!

Despite the increased winnings, “10000x Rush” remains one of the simplest games you’ll ever play. All you need to do is place your bet and press the spin button. The reel featuring multipliers from 0 to 10,000 will then start spinning. Your winnings are calculated by multiplying your bet by the winning multiplier. However, if the multiplier lands on 0, you lose that spin.

The available multipliers on the reel include: 0, 0.10, 0.20, 0.50, 1, 2, 5, 10, 20, 50, 100, 200, 500, 1,000, 2,000, 5,000, and 10,000.

Experience the wonders of the galaxy with Platipus and “10000x Rush”!
