

GAME DESCRIPTION

Beautiful colors, a sparkling atmosphere and exciting animations - this game will astonish even the most experienced players! Try Jewel Bang, a 5x3 reels and 10 lines video slot, here and now and see victories shine! Winning combinations are formed from both left to right and right to left starting from the outermost reel, and the symbols have to be consecutive. Catch Wild symbols on the reels, then watch them expand...and trigger the Respin Feature! Wow! Exciting, isn't it?

RESPIN FEATURE

Hit Wild symbols on reels 2, 3 and 4 to trigger 1 Respin with the triggering Wild expanding over the entire reel. Respins will be running as long as new Wild symbols keep appearing on the reels! Note: All Wild symbols will remain expanding until the end of Respins!

The game pays after each Respin. During the Respin feature, any symbol appearing behind Wild symbols, don't pay. Gameplay of Respins is active with the same paylines and bet as the triggering spin.
