The rules in Baccarat VIP are equal to classic Baccarat.

The object of Baccarat is to obtain a hand with a point total closest to 9. Aces count as one; 2 through 9 as their face value; tens and face cards count as zero.

Place your wager on one or more of the following betting positions: the Banker, the Player and/or the Tie. The Player and the Banker are then each dealt a two-card hand in the following order: first card to the Player, second card to the Banker, third card the Player, fourth card to the Banker. In certain cases, a third card is dealt to the Player and/or the Banker. The hand closest to 9, wins.

Payouts to the player in Baccarat depend on the types of bets:

**The main bet on Player:** all winning bets on the player's hand are paid according to the ratio of 1 to 1.

**The main bet on Banker:** all winning bets on the banker's hand are paid according to the ratio of 1 to 1 minus the 5% fee.
