

GAME DESCRIPTION

In a vault far from ordinary, three little pigs are guarding something big. Meet the stars of Bacon's Bank — the Red, Green, and Blue piggy bankers — each hiding their own exciting surprise. But these pigs don't just sit around. As you spin the reels, coins start to fill their banks... and when the pressure builds, they burst open to reveal thrilling rewards.

Bacon's Bank is a lively 5-reel slot with up to 3,125 ways to win, packed with features that keep the action going. Each piggy bank unlocks a different bonus:

The Red Pig triggers the Jackpot Bonus Feature, where you pick gold coins to reveal jackpot labels. Match three of the same — Mini, Minor, Major, or the mighty Grand — and you could win up to 20,000x your bet.

The Green Pig brings you into the Free Spins Feature, awarding up to 10 free spins with either 1024 or 3125 ways to win. It's your chance to rack up wins without spending a single coin.

The Blue Pig activates the Bonus Wheel, giving you one spin that can land on Free Spins or the Jackpot Bonus — just one spin could change everything.

Along the way, look out for Wilds that help form winning combinations and Scatters that can launch features all on their own when three or more appear.

With fun visuals, exciting gameplay, and three pigs full of surprises, Bacon's Bank is more than just a slot — it's a story of luck, treasure, and cracking open something amazing every time you play!
