

## GAME DESCRIPTION

On a forgotten tropical island, three ancient barrels guard a lost pirate fortune. They are said to hold more than gold — they hold power.

The Blue Barrel hoards Free Spins like secret maps to hidden treasure. The Red Barrel feeds on greed, unlocking paths to legendary jackpots. And the Green Barrel pulses with wild energy, growing stronger with every daring spin!

Barrels of Riches is a high-stakes battle for gold across 5 reels and 25 paylines. Reveal symbols transform before every payout, twisting fate at the final moment. Collect symbols charge the barrels above the reels, building tension with every spin and pushing you closer to an explosive reward.

Trigger Free Spins to unleash three distinct bonus paths. Flood the reels with accumulated spins from the Blue Barrel. Chase powerful jackpots through the Red Barrel. Or ignite the Green Barrel to unleash an Extra Wild multiplier of up to x10 on the third reel, turning every winning line into a treasure blast!

Fortune here doesn't wait — it builds. The barrels fill, the pressure rises, and when they finally burst, the rewards can be unstoppable. Spin boldly... and let the island reveal its riches!
