

GAME DESCRIPTION

Somewhere beyond the stars, where galaxies shimmer and nebulae pulse with energy, lies a universe where cosmic luck reigns supreme — and you are the chosen captain.

Welcome to Bingo Planets, a video bingo odyssey through the far reaches of space! Climb aboard your starship, activate up to four bingo modules (cards), and prepare for a stellar mission where 30 glowing balls are drawn from a constellation of 60. As the numbers align, your cards spark to life — lighting up winning patterns like distant stars across the cosmos.

The control deck shows real-time data: red cells mark your victories, yellow cells pulse with potential, and some numbers even shimmer with a “+B” — a sign that a mysterious Bonus Game lies just beyond the next supernova.

With mesmerizing visuals, interstellar soundscapes, and gameplay that’s out of this world, Bingo Planets isn’t just a game — it’s a voyage!
