

## GAME DESCRIPTION

Ladies and gentlemen, welcome to the refined world of Multihand Blackjack VIP — a crown jewel in the prestigious table games collection by Platipus!

Play up to three hands at once, giving you more chances to outplay the dealer and shape your strategy round by round. The game uses eight standard decks, and classic rules apply: reach 21 or get closer than the dealer without going over. A natural Blackjack — an Ace and a 10-point card — pays out at 3:2.

Feeling confident? Use the Double Down option after your first two cards to increase your bet and receive one final card. Have a matching pair? Split them into two hands and double your chances. Insurance is available when the dealer shows an Ace, paying 2:1 if they hold a Blackjack.

Once you stand or bust, the dealer reveals their hand and the winner is decided. A tie results in a Push, returning your bet.

Keep in mind: split, double, and insurance actions require additional bets. For smoother gameplay, use REBET to repeat your last wager or CLEAR to reset the table!

Multihand Blackjack VIP delivers elegance, strategy, and intensity — all in one unforgettable experience from Platipus!
