

Get ready for the electrifying thrill of Blackjack Surrender, crafted by the innovative minds at Platipus! Dive into this dynamic twist on Multihand Blackjack, featuring exciting side games like Player’s Pair, Dealer’s Pair, and 21+3. Play up to five hands simultaneously, each with its own unique bet — it’s gaming on your terms!

In Blackjack Surrender, the goal is to hit 21 or get closer than the dealer without going over. Aces are your wild cards (valued at 1 or 11), face cards at 10, and others at face value, offering endless possibilities. Land a Blackjack with an Ace and a ten-value card to snag a payout of 1.5 times your bet!

If you want to spice up your game, use side bets on the ‘Player’s Pair’, ‘21+3’, or ‘Dealer’s Pair’. Every round lets you mix in a ‘Dealer’s Pair’ side bet, alongside ‘Player’s Pair’ and ‘21+3’ bets for each hand in play.

Feeling strategic? Use the SURRENDER option to fold your hand and reclaim half your bet, perfect for when the odds aren’t in your favor. Just remember, this move isn’t available after hitting or splitting.

Don’t hesitate — try out Blackjack Surrender for unmatched fun!
