

GAME DESCRIPTION

Dive into the exhilarating world of Caribbean Club Poker, where classic Poker meets the fast-paced excitement of Blackjack! Played with a standard 52-card deck, this game puts you directly against the dealer for a strategic showdown.

Start by placing your ANTE bet to receive a five-card hand. The dealer also gets five cards, with one card face up to keep the tension high. Will you take the risk and challenge the dealer? To do so, place an additional bet, twice your ANTE. The dealer must qualify with at least an Ace-King combo. If they don't, you win your ANTE back. If they do qualify, the strongest hand takes it all.

With no new cards dealt, every decision is crucial. Are you ready to outsmart the dealer and claim your victory? Step up, place your bets, and let the action unfold!
