

GAME DESCRIPTION

With Platipus party never stops, and this time around we are heading to Mexico! Put on your sombreros and grab a shot of tequila because it's going to get hot in here. Our chilli peppers are loaded with prizes and when you happen to get three or more of them, you'll get awarded by up to 25 very special Free Spins. After all, it would be boring if these were "regular" Free Spins, right? So, here is what is so special about them. If you happen to get a Scatter during Free Spins, not only it will award you with an extra Free Spin, but will also transform into Sticky Wild that will remain there for the duration of the Free Spins! Amazing! As such, it is possible to get a maximum of 45 Free Spins. Of course, we would love to give you more but with five reels and four lines, it is as far as it is physically possible to go before your screen is entirely covered by Sticky Wilds... What happens if your screen is entirely covered by Sticky Wilds? Well, we will only mention that it is something awesome. Oh, and have we mentioned that you can grab a Jackpot too? Four of them, actually. GRAND, MAJOR, MINOR, and up to two MINI jackpots can be won during normal game or during Free Spins. And that's how you party the right way. So make sure to not miss Platipus new game – Chilli Fiesta.
