

## GAME DESCRIPTION

Cock-a-Doodle Cash is a game where every bold step brings you closer to the chance of a massive payout — up to x10,000! Help the brave rooster cross the road, avoiding cars and increasing your multiplier with each successfully crossed line.

The gameplay is simple yet thrilling: choose your bet amount and difficulty level — from Beginner to Insane. The higher the risk, the fewer the steps and the bigger the potential payout. Hit Play and decide for yourself: push forward for higher multipliers or secure your winnings with Cash Out!

Autoplay lets you sit back while the game works for you, following your chosen strategy and stopping automatically at your set win or loss limits. Every decision is your chance to control the game and maximize your winnings!

Ready for excitement and huge wins? Hit Play, feel the tension of every step, and grab your winnings right now!
