

GAME DESCRIPTION

One of the most famous festivals with delicious food, Munich beer and countless rides gathers thousands of people every year! For the love of this event, Platipus has created a new exciting adventure - Coinfest, where it invites its players to celebrate Bavarian culture not only with fun and drinks, but also with valuable coins that will ideally complement the fun atmosphere of the fall festival!

Besides the endless stream of Steins, Pretzels, and dancing, Coinfest also offers Bonus Symbols: Golden, Silver, Bronze and +1 coins. Golden and Silver coins appear only during the Respin, Bronze coins can be found during both Free spins and Respin features.

Six Bronze coins activate the Respins feature, during which there is a chance to trigger the Bonus+1 symbol and get additional respins, the number of which depends on the number of +1 symbols. The feature runs until the Respins are completed or 15 whatever Coins are collected. If this is the case, the player is awarded with the GRAND JACKPOT!

And that's not all! You cannot have a Bavarian party without the Freespin feature! It is triggered when 3 or more Scatter symbols land simultaneously anywhere on the reels and award a player with 8 additional Free Spins. So as you can see, this is a truly endless party of fun!

Are you ready to charge up the season with the festive atmosphere of this giant funfair? Then do not hesitate and accept Platipus' invitation to dive into the unique adventure of Coinfest!
