

GAME DESCRIPTION

Where neon slices through the night and casino halls thrum with the whisper of chips, a new force awakens. Amid the chime of coins and the hum of electric light rises Coin Surge — a fast-paced, adrenaline-charged slot where every spin can spark instant wins!

Every spin pulses with energy: winning combinations pay both ways — from left to right and from right to left, starting from the outermost reel with consecutive symbols.

Symbols ignite like sparks in an electric storm. Wilds surge across the central reels, electrifying your wins by substituting for all symbols except Scatter, Bonus, and Collect. But don't worry, these symbols are just as thrilling as Wilds!

Scatter symbols are truly special: they pay anywhere on the reels, regardless of their position. But it's the Bonus symbols that bring the real excitement — they can hold instant cash prizes or even Jackpots! Bonus and Collect symbols work together as part of the powerful Collect Feature. When a Collect symbol lands on reel 5, it gathers all visible Bonus prizes and adds their total value to your current win.

And if that's not enough — the Mystery Nudge Feature keeps the suspense going! When triggered, reel 5 nudges downward, revealing new symbols without affecting line or Scatter wins. It can even uncover a hidden Collect symbol, unlocking massive rewards when paired with Bonus symbols on-screen.

Hit Spin and feel the surge — your next big win could be yours in an instant!
