

# CRACK the EGG

## GAME DESCRIPTION

Beneath every shell hides a surprise — but only one crack reveals the real prize. Each spin builds anticipation, each reveal shifts the balance. It only takes a single moment for fortune to break wide open!

Crack the Egg is a 5-reel, 3-row slot with no traditional paylines — just pure reveal-driven action. Mystery Eggs can appear anywhere on the reels, transforming into Golden Eggs with random cash prizes or with game-changing jackpots.

Land 3 or more golden eggs to trigger the Respins Feature. You start with 3 respins, and every new egg resets the counter — locking positions in place and building momentum with every reveal. As the grid fills, the tension rises. Cover every position to unlock the Grand Jackpot worth 500x your total bet — paid on top of all other prizes!

No lines to follow. Just crack — and collect.

How far will you go before the shell gives in?
