## BONUS GAME FEATURE

The player is awarded one of the 3 variants of the Bonus game depending on which Special Bonus symbols was used to activate the Bonus game feature:

### Bonus game #1

The Bonus game includes 5 levels. During the feature, at each level the player should select one of 6 items to proceed to the next level. The final prize amounts to a total number of coins won by the player multiplied by a bet per line.

### Bonus game #2

During the Bonus game the player can select a Bonus game of choice. This can be: 7 Free Spins with Sticky Wild symbols, 12 Free Spins with Expanding Wild symbols, 17 Free Spins with Stacked Wild symbols.

### Bonus game #3

In the Bonus game the player should click on the squares to reveal what is hidden behind them. Among the prizes are multipliers and Free Spins. Thus, the player collects an amount of Free Spins and multipliers for a future Free Spins round. Before making a guess player will be awarded with 5 free spins and x1 multiplier. The Free Spins round starts off when the player comes across the square reading «Start Free Spins».
