

## GAME DESCRIPTION

Step into the mystical world of ancient Asia with Platipus!

Explore the secrets of the ages in our game, 'Dragon's Money,' as you collect precious coins and uncover hidden treasures within the hallowed halls of an Asian temple!

Search every corner for coins, and don't forget to utilize our exciting bonus features, like the Lucky Coin Feature, triggered by landing 3 or more Scatter symbols anywhere on the reels.

During this feature, players are rewarded with Coins based on the number of Scatters triggering the feature: 3 Scatter symbols – 3 Coins, 4 Scatter symbols – 5 Coins, 5 Scatter symbols – 10 Coins!

Watch as Coin symbols appear randomly on the reels, each concealing a prize ranging from 1 to 10 times your total bet. And that's not all! An additional top reel, the Booster Bar, emerges, offering an array of bonuses, multipliers, and thrilling surprises.

Once all the coins have found their place, brace yourself as every position on the Booster Bar spins, adding an extra layer of excitement to your gameplay. And here's the twist: if any Coin is directly beneath a bonus or a multiplier on the Booster Bar, its value will increase by the bonus amount or be multiplied accordingly.

Take a chance to uncover the riches of the ancient temple! Play 'Dragon's Money' and WIN BIG!
