

## GAME DESCRIPTION

There are hundreds — no, thousands — of piggy banks in the world. But only one has become the ultimate target for treasure hunters, gamers, and jackpot dreamers alike. The legendary golden piggy bank.

Rumor has it, this shiny little oinker has been hoarding coins, bonuses, and jackpots for years. Not in some dusty attic — but right under everyone's noses, waiting for the right moment to be smashed open.

And guess what? It finally ended up in the hands of the Platipus team.

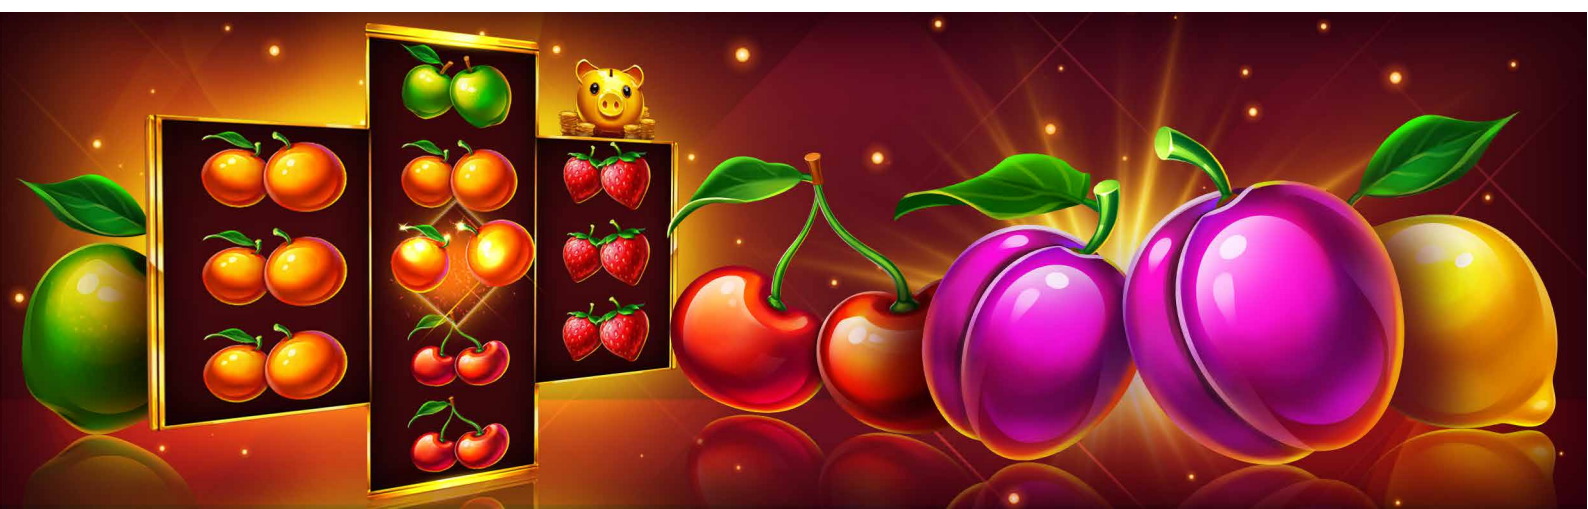

Of course, we didn't waste a second. We turned this cheeky coin-stuffed pig into a game — and not just any game. Fortune Smash is your chance to crack open the most iconic piggy bank on the planet and grab everything it's been hiding inside.

With the Gold Collect Feature, the piggy can randomly throw Bonus and Collect symbols onto the reels, launching you right into the action.

Then comes the Respins Feature, where only Bonus and Collect symbols appear — and your goal is simple: keep spinning, keep collecting, and watch those jackpots pile up!

From MINI to GRAND, this piggy doesn't hold back.

Fortune Smash – One pig. One purpose. One golden chance to win big!
