

GAME DESCRIPTION

Do you hear the voices of legendary heroes coming from faraway lands? They call upon the brave and adventurous spirits to step into a World of Frozen Mirror where the power of the great Frozen Queen reigns supreme! Accept this mysterious invitation and compete with Her Majesty for her kingdom's wealth. But be careful not to get your blood frozen from a range of thrilling features she keeps in her possessions for you. Pay attention to the castle symbols, which also play as Scatters - 5 and more of them will trigger Free Spin Feature. The amount of free spins won will correspond to the amount of Scatters hit. And should you form a winning combination with a Wild symbol during these Free Spins, you will that payline payout doubled. And what's more - you'll notice that Queen's castle is full of magical Mirrors - and those are no mere pieces of glass. Collecting at least 5 of them in the reels will trigger a Mirror Reflection Feature! That's where magic comes into full effect! 3 Magical frames will appear randomly on the reels, and you will be awarded with 6 Extra Spins. If one of the mirrors appears below the frame - the prize reflected in the mirror will be yours! There are three types of reflections a mirror can contain- monetary prize, one of the four Jackpots, or the Frozen Queen itself. Hitting the Queen would mean additional Extra Spin, and additional Magical Frame. The Mirror Reflection Feature can be triggered during regular game, as well as during Free Spin round. This adventure promises to be full of excitement! Do you already feel a chill running down your spine?! If so, it can only mean one thing - it's high time to put on your woolly hat and jumper and start this arduous but rewarding journey through a fantastic world of Frozen Mirror!

FREE SPINS FEATURE

Hitting 5 or more Scatter symbols anywhere on reels triggers the Free Spins feature. The number of Free Spins awarded equals to the number of Scatters hit.

• If during the Free Spins feature the player hits 5 or more Scatters, then the player is awarded with 5 or more Free Spins equal to the number of Scatters hit.

• During Free Spins Feature 5th reel is filled with stacked Wild.

• During the Free Spins feature, if at least one Wild form a winning combination, the payout for this combination is doubled. Getting more than one Wild symbol in a winning combination will not further increase the payout.

MIRROR REFLECTION FEATURE

Hitting 5 or more Bonus Symbols anywhere on reels, trigger Mirror Reflection Feature. All prizes that are shown on bonus symbols when the feature is triggered will be awarded to the player.

During the Mirror Reflection feature 3 Magical Frames appear randomly on reels and the player is awarded with 6 extra spins.

During these extra spins, with every spin, the abovementioned Magical Frames move to random positions on reels. During the extra spins, winning combinations do not award the payout, but if the Magical Frame appears on top of Bonus symbol, the player is awarded with the payout specified in the Bonus symbol. It could be either a monetary prize or one of four Jackpots. A Bonus symbol may also contain an image of the Frozen Queen. Should one of the frames stop on it, the player will be awarded with an additional extra spin, and additional Magical Frame that will randomly appear on the reels, up to maximum of 15 Magical Frames. When the limit of Magical Frames is reached, if a Magical Frame stops on top a Bonus symbol with Frozen Queen, player will be only awarded one additional extra spin, with no Magical Frames additionally appearing.
