

GAME DESCRIPTION

Captain Flint and his trusty parrot Jib are always on the hunt for new adventures and hidden treasures. This time, they've heard tales of the thrilling slots by Platipus, rumored to be brimming with precious stones and gold coins. Excited for their next discovery, they're ready to explore the new game «Hook the Cash», where all the riches they dream of are said to await them!

In their latest escapade, they'll uncover the Free Spins Feature. Triggered by landing 5 or more Scatter symbols, this feature awards Free Spins equal to the number of Scatters hit. During Free Spins, the 5th reel is filled with stacked Wilds, and any winning combination with at least one Wild has its payout doubled.

Captain Flint and Jib are also thrilled by the Hook the Coin Feature. Hitting 5 or more Bonus symbols activates this feature, awarding all prizes shown. Three Golden rings appear on the reels, granting 6 extra spins. During these spins, the rings move to new positions and landing a ring on a Bonus symbol awards the prize shown, which could be a monetary prize or one of four Jackpots. If a Jolly Roger symbol appears, it grants an extra spin and an additional Golden ring, up to 15 rings.

Both features can be triggered in a single spin, with Free Spins occurring first. The Hook the Coin feature can also activate during the main game and Free Spins, pausing Free Spins until it concludes.

With such exciting features and the promise of treasure, Captain Flint and Jib can't wait to set sail on this new journey of the «Hook the Cash» game!
