

What was your first step in the world of Classic casino games? The same game choice that led to the start of an exciting journey full of thrill, exhilaration, and unforgettable feelings!

For most players, the first one that comes to mind will be poker, a game that has conquered thousands of gamblers' hearts!

Platipus' game, Jacks or Better, is a real treat to all poker fans. Especially for those who prefer a simple video poker game but also appreciate a casino atmosphere.

Jacks or Better starts like an ordinary poker game. The player gets five cards and must choose the ones they want to keep for the next round. The choice is up to you and, in most cases, depends on your Jacks or Better poker strategy to catch certain card combinations, such as Royal Flush, Straight Flush, Four of Kind, Full House, Flush, Three of a Kind, Two Pair, and Jacks or Better.

The better your hand is, the more you will win. So remember that your objective is to achieve the strongest possible hand.

Take a moment and feel like a visitor of a glamorous casino in Monte-Carlo for a while by playing "Jacks or Better". Enjoy this relaxing vibe and taste the pleasure of poker!
