# GAME DESCRIPTION

Jade Valley is a 5X3 reels and 50 lines video slot about a beautiful princess and brave warrior who comes to her rescue. When the Wild symbols appear, a peach tree starts growing but the real magic begins when at least 6 Bonus symbols appear on the reels and the Respin feature will get triggered. During the Respin feature 4 kinds of Jackpots can be won: GRAND, MAJOR, MINOR and MINI. The main goal is hitting the GRAND Jackpot so make sure to keep an eye on the Bonus symbol. When all symbol positions get hit, the biggest prize gets awarded.

RESPIN BONUS

6 or more Bonus symbols trigger the Respin bonus.

Calculation of winnings for respins is carried out not according to the lines as in the main game, but by summing up the awards specified on each Bonus. Each Bonus symbol contains either a cash award in total bets or a jackpot winning symbol.

3 respins are given at the beginning. Each cell of the screen rotates independently. If an additional Bonus symbol appears on at least one cell of the screen, then the number of remaining respins will again be equal to 3. All Bonus symbols, which triggered respins and appeared during respins, remain until the end of the bonus.

JACKPOT

Represents as a fixed amount in bets.

Big prizes which can be won during respins together with other small awards.

GRAND = 100000 bets,

MAJOR = 25000 bets,

MINOR = 5000 bets,

MINI = 1000 bets

MAJOR, MINOR and MINI jackpots can be won multiple times in each Respin bonus.

The GRAND Jackpot is awarded when all symbol positions are filled with Bonus symbol.

All prizes shown on screen are paid when the Grand Jackpot is won, or when all 3 Respins have been used.
