

GAME DESCRIPTION

Summer is coming to an end, the intense heat is now diminishing, so it's time for the traditional Irish entertainment – hunt for leprechaun's gold! Follow the Platipus into the fields of mystical Ireland, seek mystical pots of gold at the end of a rainbow, and should you get 3 of them, 6 Free Spins shall be yours. Or, if you are daring, follow the trail of golden coins left behind by the magical creatures. Manage to find 6 of them in one spin, and you will acquire the Lucky Respin feature. During which, you will get 3 lucky respins, and should you find more coins during them, the respins will reset back to 3. All the coins that you gathered during the Lucky Respins will be exchanged for the riches, and if you truly have the luck of an Irish and managed to fill the whole screen with coins, you will win the Grand Jackpot!

Normally leprechauns are mischievous little creatures, but in this game, they are quite the entrepreneurs. They are willing to trade luck for coins, quite literally. If you are tired of trying to get the free spins that greedy leprechauns hold to themselves, you may bribe them with 40 total bets to guarantee 3 Scatters in your next spin! It is a daring gamble, surely, but it is so much better when you have the option.

There is a lot more that could be said about this fascinating game, but instead of boring you with words, we would like to invite you to the mystical world of Platipus' new game – Leprechaun's Coins so that you can see everything for yourself.
