

Ladies and gentlemen, get ready to elevate your gaming experience to world-class standards with Platipus' LIVE European Roulette!

It's much more thrilling than a standard table game as you immerse yourself in incredible studios, interact with real dealers, and chase substantial winnings in real time!

LIVE European Roulette brings the authentic casino vibe directly to your device. So, relax and enjoy the game, always keeping the ultimate goal in mind – predict the number where the ball will land by placing your bets. Victory is yours if your bet covers that particular number as the wheel spins and the ball finds its place!

But the excitement doesn't end there – Platipus introduces additional features to elevate and simplify your gameplay! Explore the Favorite and Special bets feature, saving your preferred bets for easy placement in future rounds at any Roulette table. Additionally, leverage statistics to review the winning numbers from up to 500 of the most recent game rounds.

It's time to feel an unparalleled excitement! Dive into the perfect mix of a real casino and online gaming with LIVE European Roulette.
