A roulette game aims to make a correct prediction about where the ball will come to rest on the spinning wheel. Explore a variety of bets on the table, covering either a single number or a range of numbers, each offering its unique payout rate.

Live Roulette European VIP shines with its standout features, making the game even more enjoyable! Don't hesitate to use Favorite Bets feature, saving your preferred bets for effortless placement in future rounds at any Roulette table. In addition to this, you can use statistics to view a table of the winning numbers in up to 500 of the most recent game rounds.

Join Platipus and Live Roulette European VIP for an unforgettable adventure! May luck be on your side.
