

GAME DESCRIPTION

Deep in the emerald fields, where rainbows touch the earth and pots of gold glimmer in the sun, a cheeky leprechaun is waiting to share his luck. If you're bold enough, step into his world and play Lucky Shamrock Bingo, a magical chase for fortune!

Play with up to 4 active tickets at once and mark off winning patterns as the balls roll in. Complete a BINGO pattern within the first 44 balls, and you'll unlock the mighty Jackpot - 4000x your ticket bet! But beware - only one Jackpot can be claimed per round, and only by those daring enough to play with all four cards.

When you're just one number away from a big win, Extra Ball Mode is activated, allowing you to purchase up to 10 extra balls to boost your chances. Sometimes, fortune smiles twice - with the Free Extra Ball, randomly awarded during this phase and bringing you even closer to glory.

And then comes the real magic: the Joker Ball. Acting as a wild, it lets you choose which number it becomes or automatically selects the most rewarding option for you in AutoPlay. It's your secret weapon for turning near-misses into massive wins.

This isn't just bingo, it's an Irish-inspired journey filled with charm, challenge, and golden rewards. So follow the leprechaun's grin, place your bets, and let the shamrocks guide your way to victory in Lucky Shamrock Bingo!
