

GAME DESCRIPTION

Welcome to a city that's one giant casino where the fun never ends, the nights are eternal, and every corner hides a special surprise just for you! In this electrifying place, everyone is chasing one thing: the luck that brings the sweet thrill of winnings!

Today, Platipus invites you to this incredible town with only one goal on the agenda: "Mission: Vegas"!

What does this mission include?

First, try the Respins feature. When 5 or more Scatter symbols land simultaneously anywhere on the reels, the Respins feature triggers, awarding you 1 Respin. During this feature, any additional Scatter symbols that appear are held in place and grant +1 Respin.

Next, dive into the Wheels of Luck feature! The Blue Wheel activates when you land 3 Bonus symbols during the main game or 10 Scatter symbols during the Respins feature. The Blue Wheel can award coin prizes (10, 30, 50 spin amounts), 8 or 12 Free Spins, a wheel upgrade to the Purple Wheel of Luck, or transition to the Jackpot Wheel, which contains three Jackpots: Minor, Major, and Grand!

Don't forget the Free Spins feature! Triggered through the Wheels of Luck, you can receive 8, 10, 12, or 15 Free Spins. During Free Spins, a 10-level scale appears on the screen. Collect 5 Scatter symbols to move up each level, with each transition granting you 3 additional Free Spins.

Finally, have fun and aim big to complete "Mission: Vegas"! Get ready for a trip that's thrilling, captivating, and absolutely unforgettable!
