

## GAME DESCRIPTION

In Oasis Poker by Platipus, the spotlight is on you from the very first deal. The dealer's eyes lock on yours, the tension rises, and a single decision — fold or bet — can make the table erupt in triumph. With a flick of the wrist, the cards hit the table with a crisp snap. Your pulse quickens. No second chances, no safety nets — just you, the dealer, and the choice that could turn fortune in your favor: retreat... or raise the stakes and claim the spotlight!

The dealer qualifies only with a hand that includes at least an Ace and a King — or with any winning hand starting from a Pair or higher. If they don't qualify, your ANTE wins instantly, and your BET is safely returned. But when the dealer qualifies, the real poker duel begins:

- Royal Flush — 200:1
- Straight Flush — 50:1
- Four of a Kind — 20:1
- Full House — 7:1
- Flush — 5:1
- Straight — 4:1
- Three of a Kind — 3:1

Even high cards can make the difference — imagine beating A,K,J,8,3 with A,K,Q,3,2! And if your hands tie, it's a PUSH — both ANTE and BET are returned.

Fast rounds, iconic poker hands, and intuitive controls (Deal, Bet, Fold, Draw, Rebet) make every moment electric! Oasis Poker is simple to play, thrilling to master, and packed with the prestige of high-stakes poker.

Take your seat, place your bet, and let Oasis Poker turn every hand into pure excitement!
