

GAME DESCRIPTION

Panda Dinero brings the heat with high-flying kicks, spinning reels, and a hero who knows how to fight — and win! Dressed in kung fu gear and bursting with attitude, this fearless furball isn't just meditating under cherry blossoms — he's here to turn every spin into a strike of luck.

At any moment, the Fortune Respins feature can launch into action. One symbol is randomly selected, and from then on, only that symbol, Wilds, and blanks appear. Every time it lands, it locks in place while the rest of the reels respin. The feature keeps going as long as matching symbols or Wilds keep dropping — or until the entire grid is filled with victory.

Then comes the knockout move. Fill all reel positions with winning combinations, and a 10x multiplier slams onto your total. Do it with a single symbol, and a massive 3x3 version of it will take over the screen before multiplying your win. Wilds join in too, helping you hit that perfect formation.

This is where kung fu flair meets serious fortune. Spin hard, strike fast, and let Panda Dinero bring the rewards!
