

## GAME DESCRIPTION

Can you feel the light sea breeze gently brushing into your room, carrying the spirit of summer adventure? It's an azure-tailed mermaid named Lily, inviting you to her beautiful ocean kingdom full of incredible creatures, immeasurable treasures and magnificent pearls. Accept her invitation and witness all sorts of watery wonders, such as the Nudging Wilds feature, which is activated every time two or more Wilds appear on the reels in the same spin. During this feature, all the Wilds on the reels are stacked while the reels themselves move up or down independently, so Wilds are collected on them. If you get two or more stacked Wilds on the reel, you will be awarded with two or more respins. Additional full-stack Wilds grant 1 additional respin.

Both mermaid and beautiful pearls can trigger Free Spin Feature that when activated awards a player with up to 12 free spins, depending on the number of Wilds or Scatters on the reels. During the free spins, each wild that lands on the reels covers the entire reel and grants a player an additional free spin.

There is so much to explore in the fabulous marine kingdom. So do not hesitate to follow Lily and float away with treasures in Platipus' new adventure - Pearls of the Ocean.
