

GAME DESCRIPTION

No bright lights, no grass, no excuses — just you, the ball, and the concrete. In Penalty Boost, the street court is a battlefield where reputation is earned with every strike. This is a high-stakes standoff against a keeper who's seen it all and fears nothing. It's time to test your nerves: pick your corner, outsmart the defense, and send that ball home. The streets are watching, and only the boldest strikers will climb the scale to ultimate glory. Ready to show them who owns the asphalt?

Aim for the ultimate 10,000x reward as you turn the urban court into your personal playground. Tailor your strategy by selecting your Bet and Difficulty level — from Easy to Hard — and carve a unique path to glory.

Each goal brings a moment of truth: is it time to Cash Out and claim your spoils, or will you go double or nothing for a legendary street reputation?

Take total control of the game by selecting your Target Area for a clinical finish, or engage Autoplay to keep the pressure on and the wins rolling in without a break.

Own the court, outsmart the keeper, and prove you have what it takes to strike gold!
