

GAME DESCRIPTION

Have to admit, you've never seen Olympus look this... piggy! Meet the Pink Thunderer—the most audacious pig in ancient Greek attire, who has snatched Zeus's lightning bolts and turned the sacred mountain into his very own epic playground. Forget outdated templates: the base game offers a completely new format with no classic symbols. The real dynamism and intrigue unfold in the bonus rounds, where every single element works toward your triumph!

Pig of Thunder flips the script on 5-reel gameplay, focusing all attention on evolutionary bonus mechanics. Unique Sticky symbols lock firmly onto the middle row to boost your feature chances. Once triggered, the Bonus or Super Bonus rounds activate intense respins. Every new landing resets the counter to 3, cranking the tension higher and higher! The excitement peaks with mystical Mystery symbols and a powerful Collect symbol that instantly absorbs all cash prizes from the screen.

The Multipliers feature randomly covers up to 15 reel positions with explosive multipliers, and collecting all 15 bonus symbols guarantees the ultimate trophy—the Grand Jackpot worth 500x your bet!

Chuckle at the thunderous antics and snatch the gold straight from his hooves!
