

GAME DESCRIPTION

The pearl of the Caribbean world is undoubtedly considered the island of Tortuga, a pirate place without laws and regulations.

There are legends that among the island's rocks were hidden enormous amounts of treasures belonging to the fearless captain - Henry Morgan!

So let's explore this legendary place opened for everyone under the black flag and finally meet Henry Morgan in the «Pirate's Legacy» game!

Hidden treasure boxes are full of gold coins and pearl necklaces, but pay attention to the Bonus symbol there! This symbol triggers the Collect Feature and holds either a monetary prize or a Jackpot: MINI, MINOR, MAJOR, AND GRAND!

Just imagine how wealthy you will be after this marine adventure, especially, if you also jump at the chance to try The Free Spin Feature, which is triggered when at least one Free Spins symbol lands and a Collect symbol lands on the fifth reel.

Are you ready to become a member crew? Then meet the «Platipus» ship, entering the island from the southern end in a fantastic slot game - «Pirate's Legacy»!
