

GAME DESCRIPTION

Get ready for some bouncing fun with “Plinko” by Platipus! This exciting game of chance lets you drop a ball down a board filled with pegs, where it takes a wild journey to land in one of the slots at the bottom. Your goal? To score the biggest payout possible!

Here’s how it works: pick how much you want to bet and decide on a risk level — Low, Normal, or High. The higher the risk, the bigger the potential rewards on the sides!

You can also choose how many lines you want, from 8 to 16. Then, just drop the ball and watch it bounce, hoping it lands in a high-paying slot.

Want to sit back and watch the action? Use Auto Mode to let the game play several rounds for you. No matter how you play, Plinko is all about the thrill of the drop and the chance to win big.

Ready to try your luck? Jump into Plinko and see where the ball takes you!
