GAME DESCRIPTION

The winters are lonely and cold. It is in these trying times that we look for warmth, comfort and company... And what better companion can fit all of the criteria but a Cat!? And why stop at one if you can get a whole bunch of them!? Specifically, four, and if you are a cat person like us, we are pawsitive you will enjoy Platipus` newest slot - Posh Cats. The main hero of this story is, of course, you. Who gets to play with four fantastic cats: Huan, Stella, Oliver and Zoe. Their most favorite pastimes are to be cute, posh and to chase after the ball of twine, which you can get only on the uttermost right reel. But, should you manage to get one, not only it will act as a Wild symbol, you will also be awarded with two Free Spins as the ball will start rolling to the left uttermost reel! Interestingly should you get more balls of twine, while the previous ones are still rolling, your Free Spins counter will reset to 2, and you will get a free spins payout Multiplier, that will multiply all your wins until the Free Spins feature is over. There is no limit to how many times the feature can be retriggered and therefore there is no cap on how high the Multiplier can get!
While playing this game you will also likely to notice a special currency - the Paw Coin. Should you manage to collect at least 5 of these coins in a single spin, you will be awarded with 1 of 5 jackpots: GRAND, MAXI, MAJOR, MINOR, or MINI. And don't worry about balls of twine potentially «blocking» your jackpots. Our posh cats are such enterpurrners that they will be more than happy to count a ball of twine as a paw-coin.
So what are you waiting for?! It's meow or never! Dive right into the fluffy paradise of impawsibly cute cats, that won't give you an allergy, with Platipus` newest game - Posh Cats!
