

Platipus is on a roll, adding new table games to its incredible collection! Get ready to experience the thrill with our latest release: Premium European Blackjack — the ultimate classic reimagined for premium excitement!

Aim for the magic number 21! Your goal is to get a hand that totals 21 or comes closer to 21 than the dealer's hand without going over. The value of your hand is the sum of the individual card values. The highest hand, Blackjack, is made up of an ace and any 10-point card, and it trumps a score of 21.

Play up to 5 hands in one thrilling game round! Your hands are played clockwise starting from the rightmost, with the dealer's hand going last. Enjoy the classic moves: split, double, and take insurance, just like in traditional Blackjack.

Bet on up to five hands at once for maximum excitement. To get started, place a bet on at least one hand. Spice things up with side bets on the 'Player's Pair' or '21+3' areas under any of your hands, or go for the 'Dealer's Pair' near the dealer's hand.

Premium European Blackjack is the game you need to try today! Good luck and may your winnings be big!
