

GAME DESCRIPTION

Floating high among the soft, fluffy clouds is a dreamy sky-world where Aria, the sweet Princess of Elements, loves to play. With her lovely pastel hair blowing in the breeze and her favorite star-tipped staff in hand, she gently looks after the magic of nature. Aria loves to gather the cozy energies of fire, water, earth, and air, turning them into sparkling, colorful crystals to keep her world happy and bright!

In Princess of Elements, this adorable magic sparkles on a 6x5 grid filled with 11 charming symbols. Whenever 8 or more matching symbols land anywhere on the screen, they happily pop, letting fresh new icons drift down like stardust for wonderful consecutive wins on a single spin!

The most magical surprises come from Aria's favorite features. Playful Random Multipliers can drop down at any moment, boosting your wins from x2 up to a wonderful x500. Landing four or more cute Scatters opens the door to 15 Free Spins. During this cozy bonus, a progressive Multiplier Counter gently saves all your multipliers, never resetting and lighting up the way to beautiful wins.

Make a wish, wave Aria's star-tipped staff, and let the magical cascades begin!
