

## GAME DESCRIPTION

Amid the endless universe, where starlight dances and planets whisper secrets, a new force awakens — Starlight Coins.

Far beyond the known realms lies a galaxy of infinite riches, where mysterious symbols spin in perfect harmony. No familiar constellations exist here — only celestial wonders revealing their true power when the stars align.

Six cosmic entities guide your journey: Bonus Symbol, Sticky Symbol, Mystery Symbol, Collect Symbol, and the powerful Jackpot, which includes the Mystery Jackpot Symbol — each charged with interstellar energy. Bonus symbols ignite up to 4x your bet, while Sticky Symbols lock in place, building energy for future rewards.

Align three Bonus Symbols across the middle row to trigger the Respins Feature, and collect prizes along the way. Gather all nine Bonus Symbols, and claim the Grand Jackpot — 500x your total bet.

Every spin twists space and chance, drawing riches from the depths of the universe. Adjust your bet, journey across galaxies, and watch the stars align with your fortune. Spin the reels and let the stars decide your fate!

Don't wait — claim your cosmic fortune now and seize the ultimate prize with Starlight Coins!
