

SUPER CHARGE THE REELS

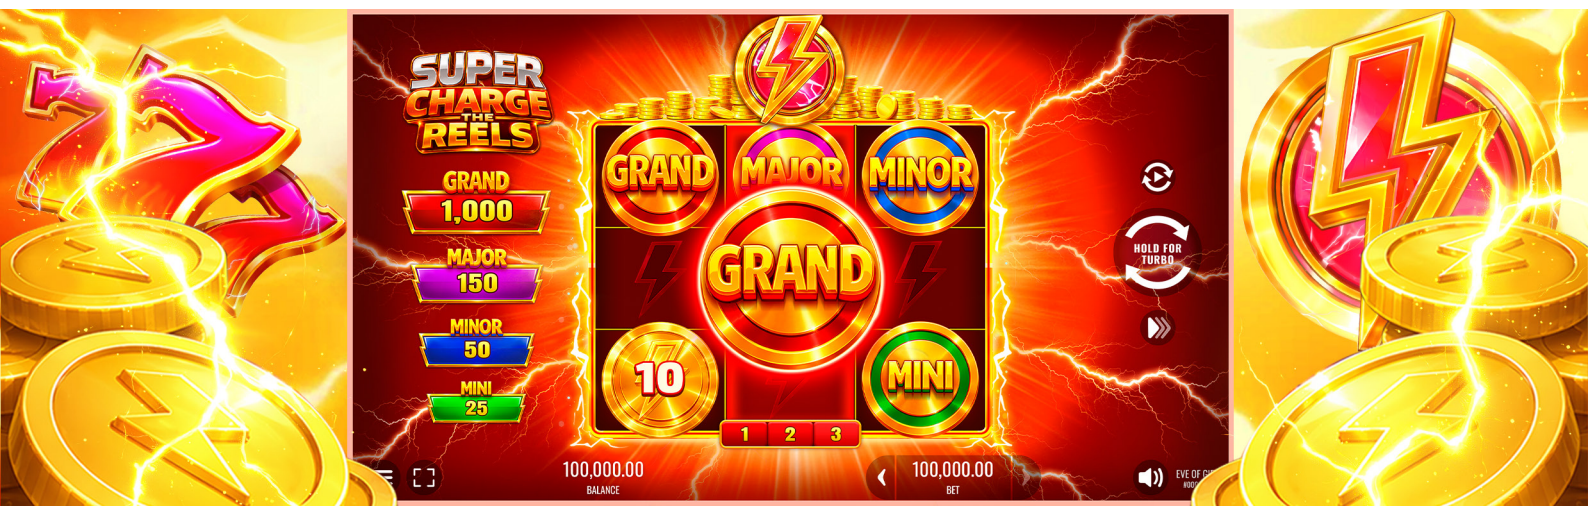

GAME DESCRIPTION

Locked inside a futuristic vault, an upgraded golden engine hums, radiating pure, hyper-charged power. This is Super Charge the Reels—where classic tradition undergoes a high-voltage evolution across 3 reels and 15 fixed lines. The air crackles with pure kinetic potential, and every spin threatens to blow the system's fuses!

The central reel commands the entire grid, mutating into a high-powered lightning rod whenever the Collect symbol locks into view. As Bonus symbols flicker on the outer edges, the Collect symbol instantly grounds their raw power. In a sudden flash, it pulls in massive cash prizes and tiered Jackpots up to a thunderous 10,000x Grand!

A total system overload triggers when the Gold Stack Feature forces a violent breakthrough straight into the enhanced Respins Feature. The central power source locks in place, resetting the countdown with every new pulse.

Crank the voltage! Trigger the surge and blast your way to the Grand!
