

GAME DESCRIPTION

The underworld's most notorious outlaws are back, and they've turned up the heat. Deep within a lava-fueled cavern, the sinister syndicate of devilish piggies returns to transform the eternal flames into a high-stakes arena. Perched right above the reels, Goldzy, Crimson Grim, and Brutus watch over a boiling cauldron of cash, transforming classic slot mechanics into a high-voltage clash of greed and glory. The gates of the inferno are open once more, and every spin breathes with the anticipation of massive wins.

Super Piggy Inferno flips the script, blending a 25-line base game with an escalating evolution of bonus levels. The unique Boost, Extra, and Multi bonuses unleash a cascade of rewards, locking elements in place and resetting the Respins counter to 3. Watch additional rows expand the grid under explosive multipliers, triggering a massive multiplication of your wins!

The real intrigue unfolds when the bubbling Hell Pot Feature randomly boils over, showering the reels with direct cash prizes and unlocking access to Jackpot tiers, where the ultimate trophy is the Grand Jackpot worth 500x your bet!

Trigger the inferno. Take the Grand Jackpot. Your turn to call the shots.
