

GAME DESCRIPTION

In ancient China, a traveler named Li Chao discovered a hidden temple guarded by three enchanted pots — green, red, and purple. Each pot held a different kind of fortune, and with every stroke of luck, they filled with magical energy and gold.

In 3 Fortune Pots, this legend comes to life! Positioned above the reels, the three fortune pots collect rewards whenever special Collect symbols appear. Each pot carries its own unique power: the green pot stores Free Spins, the red pot builds toward Jackpot prizes, and the purple pot gathers Wild symbols to boost your winning potential.

When luck is on your side, one of the pots may trigger the Free Spins feature, unlocking its full potential. The green pot can award up to 100 Free Spins, the red pot grants 7 Free Spins with a chance to win one of five Jackpots, and the purple pot unleashes extra Wilds using a special reel set based on the number of collected Wild symbols.

As you spin through this rich and colorful world filled with turtles, gold coins, and lucky charms, every Collect symbol brings you closer to unlocking one of the three mystical fortunes. Step into the legend and discover your destiny in 3 Fortune Pots!
