

3 FORTUNE POTS

HOLD AND WIN

GAME DESCRIPTION

Across the mystical lands of ancient Asia, a legend speaks of three enchanted pots — green, red, and purple — filled with the power of fortune. It is said they belonged to powerful spirits of luck and were filled with energy each time a chosen one discovered true wealth.

3 Pots Hold & Win brings this ancient tale into a dynamic, reward-filled experience. Above the reels stand three mystical pots, each representing a unique power: Twin, Multi, and Expand. With every appearance of special symbols, their magic grows stronger, bringing you closer to a big win!

When luck is on your side, the Respins Feature is triggered — a true trial where every symbol can change the course of the game. Collect symbols gather all rewards, Bonus symbols unlock cash prizes and jackpots, while the powers of the pots reveal their full potential:

- Twin doubles Collect symbols, increasing your winnings
- Multi adds powerful multipliers up to x32
- Expand enlarges the reels, opening up new winning possibilities

At times, ancient magic reveals itself through the Gold Stack Feature, instantly filling the reels with symbols and triggering the bonus round. You can win generous rewards — from cash prizes to major jackpots, including the GRAND worth x1000 of your bet. The maximum win can reach up to 10,000 bets.

Step into a world of ancient legends, where every spin brings you closer to uncovering the secret of the three pots of fortune. In 3 Pots Hold & Win, your destiny awaits!
