

GAME DESCRIPTION

Across the emerald hills of Ireland, a clever leprechaun named Murphy hid his greatest treasure at the end of a rainbow — three enchanted pots filled with luck and gold. With every lucky moment, their magic grows stronger, drawing fortune closer.

In 3 Pots of Luck, the legend comes alive on the reels with three magical pots that shape the game's magic and boost your chances for big wins. Special Bonus symbols — Expand, Multiply, and Collect — trigger unique effects: Expand adds new rows, Multiply doubles all wins, and Collect gathers all rewards into one big prize!

Trigger exciting Respins and watch the reels come alive! Extra spins bring Bonus, Mystery Jackpot, and additional Special Bonus symbols. Each new symbol resets the Respins, giving more chances for huge wins and the Grand Jackpot of 1,000x your bet!

The Lucky Rainbow feature can appear at any time, adding Wilds or Special Bonus symbols to the reels. It can also boost Bonus values or transform them into Mystery Jackpots, bringing fortune closer. Wild and Bonus symbols keep the excitement high, creating more chances for big wins with every spin.

Don't wait — unleash the magic and claim your gold!
