

GAME DESCRIPTION

3 Volcanoes Blast isn't just a slot — it's a powder keg ready to blow a river of gold with the slightest spark! Three cheeky volcanoes above the reels are just waiting for an excuse to flood the screen with scorching wins and turn the heat all the way up. Forget standard paylines — all the pure thrill explodes right in the Bonus Game!

Above the grid sit three charismatic characters: green Revive, red Multi, and blue Extra. Landing symbols in the middle row wake up their superpowers. Entering the Bonus Game grants 3 respins, where every new symbol locks firmly in place.

These volcanoes keep the round white-hot:

- Revive: resurrects your spins, resetting the counter back to 3 when hope is almost gone.
- Multi: rains multipliers onto cells that stack to boost your payouts.
- Extra: blows up the grid to a 4x5 format, opening the way to an incredible 2000x Ultimate Jackpot!

Mystery symbols keep the suspense high until the final reveal, while Collect instantly sweeps up every prize on screen.

Wake the volcanoes and claim your explosive win!
