

GAME DESCRIPTION

Jungles, with their awe-inspiring beauty, are truly marvelous landscapes. However, they can also be dangerous places, home to wild animals and protected by nature itself. The jungle is also a place of ancient mysticism, where powerful totems hold great significance.

These impressive totems can give you good luck and strength while you travel through the jungle. It's important to build a connection with these powerful objects, as they can give you incredible advantages!

However, you should be careful and avoid making any mistakes, as this could awaken their anger and turn your once-promising adventure into a difficult challenge.

Let's see if you can befriend the jungle and all its inhabitants in the game «Totem Mystique»!

When you embark on your adventure, make sure to pay attention to all the details! If you spot three or more Mystique symbols on the reels, the Mystique Totem feature will be triggered. Once you've won, the Mystique symbols will shift up or down to fill the reel and transform into golden symbols. These golden symbols will then randomly change into any other symbol, except for the Scatter. You will receive payouts for any wins that feature golden Mystique symbols on all 10 pay lines.

On the other hand, if you manage to get 3, 4, or 5 Scatter symbols at the same time, you will activate a bonus game where you'll be awarded 8, 10, or 12 Free Spins!

May good luck be your companion throughout your exploration of «Totem Mystique»!
