

GAME DESCRIPTION

Get ready to groove to the rhythm of the night! The dancefloor awaits your moves as we transport you back to the electrifying 80s music scene, where every beat can make your heart race. Join Platipus for an unforgettable night of fun and nostalgia in our latest game, «Ultra Disco»! Let's see those dance moves that can light up the night!

Want to rule the dancefloor and activate the Disco Feature? Here's how it's done.

When 2 Disco symbols align vertically, they expand to cover the entire reel, revealing a Wild symbol with a multiplier ranging from 4x to 9x. This multiplier depends on the number of symbols on the reel, including the Disco symbols. In the base game, Wild symbols remain locked on the reels until the spin ends or they contribute to a win. The multiplier applies to all winning combinations featuring the Wild symbol. When multiple Wild symbols form a winning combo, their multipliers multiply. In Free Spins, if Disco symbols align vertically, Wild symbols remain locked until they form a win or the feature ends.

As an exciting bonus, you also have a chance to win Free Spins! Landing 3 or more Scatter symbols during regular play will trigger the Free Spins feature. Three Scatter symbols will reward you with 8 Free Spins, and each additional Scatter beyond the initial 3 will grant you an additional +2 Free Spins. Plus, if a Scatter symbol lands during the Free Spins feature, you'll receive an extra +2 Free Spins for each one that appears.

Feel the adrenaline, experience the thrill, and immerse yourself in the world of «Ultra Disco»! Let the dance begin!
