

## GAME DESCRIPTION

Step into the world of Norse mythology and unleash your inner warrior in «Viking Games.» Join the fearless Viking clans as they compete in legendary challenges to prove their strength, courage, and honor.

Every moment in «Viking Games» is packed with excitement and adventure. Amidst the chaos lies a feature that will blow your mind: the Free Spins. Hitting three or more Scatter symbols triggers 25 Free Spins, played on four separate 5x3 symbol screens, each linked to a legendary Viking hero. Choose your champion wisely, or let fate decide randomly.

Alrik the Hammer of Norse collects winnings from the adjacent screen for all 25 Free Spins, with Wild symbols on reels 2 and 4 carrying an X2 multiplier. Ulfburn the Druid gathers winnings for 20 Free Spins, with Wilds offering X2 or X3 multipliers. Thorhildr the Sword Maiden claims winnings for 15 Free Spins, with Wilds providing X3 or X5 multipliers. Axel the Axeman accumulates winnings for 10 Free Spins, with Wilds featuring a powerful X5 multiplier.

If a winning combination includes two Wild symbols, their multipliers are combined for even greater rewards. During Free Spins, Coin symbols may appear, adding to the counter next to the character's screen on which they land. Beware the Reset symbol, which can reset the highest coin count to zero.

At the end of the Free Spins, the character with the most coins wins. If your chosen character leads or ties for the highest coin count, all wins from all screens are combined and paid to you. Otherwise, you will receive winnings only on your selected hero's screen.

Prepare for an epic journey through battles and glory. The legends of the Viking age await you in «Viking Games».
