

Imagine the thrill of numbers falling into place, the excitement building with each draw. Sounds amazing, right? All of this and more await you in Wild Bingo – your chance to win a Jackpot and Four Super Prizes! In this exhilarating game, 30 balls are drawn from the drum, marking numbers on your enabled tickets. With only 60 numbers from your 4 tickets in the draw, every number counts. Form a winning pattern, and you win the prize!

Look for numbers highlighted in yellow – these “candidates” are your golden ticket to completing winning patterns. Hit the Jackpot by filling any ticket within the first 30 balls and win a staggering 4,000x your bet per ticket, but only if all 4 tickets are enabled.

The Super Prize feature kicks in randomly during the Extra Ball stage when all 4 tickets are active. Purchase an extra ball, and you might see a pop-up with four spinning symbols (Seven, Bell, Bar, Cherry). Each symbol unlocks a unique Super Prize, with up to 4 Super Prizes per round and a max prize of 1,310x per ticket!

And don't miss out on free extra balls! Look for the “Free Ball” sign – these free balls are available when all 4 tickets are enabled.
