

GAME DESCRIPTION

Ladies and gentlemen, Platipus announces a Royal Game Time! Get ready for shiny classics inspired by the very first slot machines with their authentic card symbols. There's nothing extra - just Classics, Crystals and Crowns to feel the spirit of breathtaking Majesty. The distinguishing feature of this game is Nudging Wilds, when one or more Wild symbols appear in the top 3 lines on one or more reels. For the next spins, those reels will become frozen and will only move one symbol down with every spin, until all wild symbols on those reels moved out of frame.

Crystals as the game's Scatters can trigger the Free Spins feature, which fills the second and fourth reels with Wilds. The mechanic of the Free Spins feature is also exclusive to the game, as it provides for a unique multiplier for each win. The amount of multiplier depends on the number of crystals you get on the reels. These two features are already impressive when you get them separately, but can you imagine how amazing they are in a combination?! Should you manage to trigger nudging wild feature during Free Spins you shall witness a truly skyrocketing multipliers! With that said, are you ready to dive into the incredible atmosphere of Royal Classic? The Wild Crowns and impressive shiny wins are waiting for you!
