

GAME DESCRIPTION

Once upon a time, a girl named Alice found herself in a mystical castle where strange things were happening. This extraordinary castle held the power to turn gaming dreams into reality for every visitor.

Alice was lucky enough to receive a cascade of Free Spins when three Scatter symbols aligned perfectly on the 2nd, 3rd, and 4th reels. Girl's luck continued as she not only received 10 Free Spins but also an additional 10 Bonus Free Spins, each with the magical essence of a single spin. This made Alice incredibly happy!

As she explored the castle, the girl discovered more secrets. She found the Respins feature, which was triggered by six or more Bonus symbols aligned perfectly on the reels. The Respins feature gave Alice three chances to win either a coin prize or one of the three Jackpots: Major, Minor, or Mini. With each Bonus symbol, Alice's excitement grew, making her adventure even more magical.

In one of the castle's halls, Alice met a red-haired man with a big purple hat. Unable to contain her curiosity, she inquired, «What is this place? At every turn, I find myself surrounded by immense winnings and countless bonuses! Is this paradise?»

The man responded with a warm smile, «Welcome to WondeReels, a realm owned by Platipus that brings joy to those who believe in the magic of gaming!»
