

GAME DESCRIPTION

Oh, how extraordinary are these frosty winter evenings! They smell of fireplace, ginger cookies, spicy drinks and, of course, Christmas - the beloved holiday that fills the whole environment with an atmosphere of absolute wonder! Double the Christmas magic around you by adding the new slot from Platipus - Xmas Avalanche - to your list of winter entertainment!

The game cascades are built according to the Avalanche principle, which means that all symbols involved in a winning combination disappear after each payout. Once they disappear, the symbols on the reels fall down and are immediately replaced by the new symbols.

What would a Christmas Eve be without presents? Making each other happy is an absolute must for this sincere holiday, and Platipus has prepared some pleasant surprises for you as well!

The first gift is a Free Spins Feature, by which you will literally be showered with bonuses! Just imagine, if you hit 3, 4, 5, 6 or 7 Scatter symbols at the same time, you will be rewarded with an additional game featuring 10, 12, 15, 20 or 25 Free Spins respectively. Isn't that great?

The next surprise is Random Wild Multiplier Feature! The multiplier of this game starts at 4x and goes up to 256x. So get ready for huge wins and payouts this Christmas!

But if you want to make your winter evening even more exciting, try the Buy Bonus Feature. It will help you extend your holiday and lift your festive spirits! The last thing you need to do before you start playing is to wish yourself «Merry Christmas», because you deserve to be the happiest person on this day! And we will take care of the rest to make your celebration perfect!
